Chairman's Message

Our objective is to create a "conducive learning environment". Efforts are focused on academics concurrently with personality development. This is to enhance capabilities in individual, team and organizational learning that will sustain in a dynamic environment. Our objective is to inculcate values of integrity, justice and fairness as well as to facilitate lateral thinking. This is the first institute to run MBA course approved by AICTE amongst Engineering colleges affiliated to University of Pune. We train future managers to meet the challenges of global competition. I wish the young and aspiring students all the success in their professional lives.

Dr. Gajanan R. Ekbote
Chairman,
Progressive Education Society, Pune

Principal's Message

You are getting your education in an Institute where there is healthy atmosphere for your overall development and many good things that shall help in your future and this is only because of co-operative culture of students, faculty members and the management of the institution. The aim of this institution is to develop not just top quality managers but also well-developed individuals. I wish all students good luck!

Prof. Dr. (Mrs.) Kalyani R. Joshi
