1	Performance of the Service	Schindler performs the services using recognized methods of maintenance. When performing the services Schindler observes the legal regulations including safety and other regulations of applicable national and international standards organizations and especially IS 14665,14671,1578 & relevant applicable state rules for maintenance of elevators and escalators. Unless otherwise agreed in the description of services, SCHINDLER performs the services on working days. Additional charges due to services outside of these hours will be invoiced separately. Schindler employs trained service technicians and provides tools and measuring instruments which are necessary for the services described. In case of a call logged by the Customer on Schindler Customer Call Centre under the "Mantrap" category, Schindler will provide services at the earliest.
2	Intellectual Property Rights	In all events, all intellectual property rights on the system including those in the control software, which enables routine operation, maintenance and repair, shall remain the property of Schindler. Schindler may update the control software. This may include bug fixing and minor software enhancements. Schindler may install additional equipment and / or software and connect this when appropriate - with Schindler service devices to improve the functionality of the installed control software. Accessory units, including a remote monitoring system - if supplied by Schindler and / or additional software remain the property of Schindler and may be disabled or removed at the termination of the maintenance contract. Schindler is entitled to install a remote monitoring system, to access the control software in order to download, use and update data, to obtain interface information and protocols and to perform remote diagnostic trips
3	Property Rights Regarding the Remote Monitoring System	IF SCHINDLER has installed the Servitel® Remotem, Monitoring System this is provided to the Customer for the duration of the Contract. It remains the property of SCHINDLER and serves temporary purposes. On expiry of the Contract SCHINDLER uninstalls the remote monitoring system
4	Duties of the Customer	To enable the services to be performed, the Customer must allow Schindler access to all parts of the installation(s) at any time. Building modifications which could impair functioning of the installation(s) must be notified to SCHINDLER in due time. The Customer is obliged to notify defects, Damage and modifications immediately they come to his knowledge. The Customer remains the operator of the installation(s). The legal obligations incumbent on him in this capacity is not affected by this Contract. The Customer is responsible for any external equipment (e.g. fire alarm, ventilation, smoke and heat vents, mobile phone antennas, electrical wires) in the engine room / elevator shaft. Maintenance and / or repairs of such foreign installations may only be carried out in the presence of a specialist for elevators.
5	Payment Agreement	The remuneration covers dispatching, travel costs, and travel time for the services described in this Contract. SCHINDLER Shall raise invoices for the agreed contractual price annually in advance. These invoices shall be considered "IMMEDIATE DUE" from the date of invoice or become due whichever is earlier.
6	Right to suspend services	Schindler is entitled to suspend services while not removing the Customer's obligation to pay the full annual remuneration and protecting the installed unit, if Customer fails to grant access to the installation(s) or to pay the invoices when due.

Progressive Education Society's Modern College of Engineering, Pune-05.

**Progressive Education Society's
MODERN COLLEGE OF ENGINEERING**

		<p>The owner of the installation shall be liable for any failure of the installation for any reason not limited to due to non-maintenance of the unit or maintenance by unauthorized third party during the period of suspension of services and shall indemnify Schindler for any claims which may be asserted against Schindler because of suspension. Before performing services after such suspension, Schindler will execute a separate audit at the Customer's cost and customer shall be liable to bear all expenses in respect of the same. If for any reason the payments due under this contract remain fully or partially unpaid by the customer for period of 60 days from the date upon which they were due, Schindler reserves the right to suspend the services with notice because of breach of financial fulfillment of the contract. In such event the customer indemnifies Schindler from any claims including that of product safety which may be asserted because of suspension of services</p>
7	Early Termination.	<p>The contract binds the parties for the agreed duration period. In case of material breach of contract (i.e. non-payment of maintenance price, non-performance of maintenance services), any party may cancel this Contract. If the Customer terminates this Contract before the expiry date and without material breach of contract by Schindler, the Customer shall pay to Schindler an indemnification of [50%] of the amount to be invoiced for the remaining services until the expiry date. Such indemnification is calculated based upon the last invoice, taking into account the discounts granted to the Customer for duration of the Contract.</p>
8	Arbitration	<p>In Case of disputes between the parties the Courts of Mumbai shall have the Jurisdiction to decide. If any dispute, controversy or claim between the parties arises out of or about this Agreement, including the existence, breach, termination or validity thereof (Dispute), the parties shall use all reasonable Endeavors to negotiate with a view to resolving the Dispute amicably. If a party gives the other party notice that a Dispute has arisen (a Dispute Notice) and the parties are unable to resolve the Dispute amicably within 15 days of service of the Dispute Notice (or such longer period as the parties may mutually agree), then the Disputeshall be Referred to arbitration. Any Dispute shall be referred to and finally Resolved by arbitration under the Arbitration and Conciliation Act, 1996. The number of arbitrators shall be one, mutually accepted by the parties. Any arbitral award shall be final and binding on the parties. The seat of the arbitration shall be Mumbai. The language of the arbitration shall be English</p>

Remark: 1) Lift Installed by M/s.Schindler India Pvt. Ltd and last year Maintenance performance was satisfactory So Contract is issued to Schindler India Pvt. Ltd.
